School Board Meeting Wednesday Evening is Attended by Forty-five

Residents Told Why Two Teacher Contracts Not Renewed

Forty-five residents of the Antioch High School district were present at the regular meeting last night. Because of the large attendance, the meeting was held in the school cafeteria, instead of the regular board room.

The school board had no official notice that the visitors would be present, and it is believed that they were there at the invitation of certain members of the faculty.

After reading the minutes of previous meetings, Mr. Dittman, principal, made a short statement to the board covering the history of the teachers in question. Among reasons for his recommendation to the board that two contracts not be renewed and that one teacher be put on probation for an additional year was the fact that "teachers have indulged in a series of acts designed to circumvent the administration of the school." He cited specific instances in which one teacher refused to serve on a teacher relations committee, which was organized to recommend salary schedules to the board. At a recent board meeting a group attempted to submit a "home room plan" directly to the board. Dittman added that "these practices constitute a breach of professional ethics," and that "if the board allows teachers to circumvent the administration, trouble will be eternal."

The board then moved that a "vote of confidence" be cast for Dittman. This motion carried unanimously.

The meeting was recessed to the cafeteria, where Board President Fred Scott welcomed the visitors and invited question or comment, saying that such a large group must be there for a reason. In answer to a question from the floor concerning the dismissal of Chandler, a pre-

Anthony Sciacero Is Head of Easter Seal Drive in Lake Villa

Anthony Sciacero has been named head of the Crippled Children's Fund drive in Lake Villa, his home community.

Members of the V.F.W. Ladies Auxiliary unit recently gathered at his home and stuffed envelopes with Easter Seals and pleas for donations to the fund. All have been mailed.

An attempt is being made to raise \$25,000 in Lake County. The Crippled Children's Aid Assn. of Lake County, Inc. was formed by members of the Exchange club in Waukegan in 1946. It came out of necessity, for one member of the club during World II had to transport his crippled child to Kenosha, Wis., for training each morning and back each afternoon under considerable hardship because of gas and tire rationing.

He sparked the movement for a school in Waukegan and this has grown to service Lake county. Now it is affiliated with the national organization.

As a non-profit organization the association provides training for all crippled children of sound mind who has a doctor's recommendation. Up to the present time the school has served 37 boys and girls from nearly every community in Lake county.

A.T.H.S. Bandsmen To Present Public Concert on March 24

The Antioch Township High School band will present its spring concert at 8 p. m. Saturday, March 24 in the high school auditorium.

Featured selections will be the compositions which the band will play at the music contest. Other numbers will include a variety ranging from the "classical" to "rock-and-roll."

Special numbers will be presented by the pep band and by some of the students who received high ratings at the district music contest.

The concert band comprises 60 high school musicians. Student officers are John Kelly, president; Arline Cribb, vice president; Carol Hansen, secretary; Jay Cribb and Frank Albert, librarians; Lynn Bolton and Celia Hagen, custodians.

The students are working very hard to make the evening an enjoyable one, Louis Chenette, their director, said.

Savage Property to be Subdivided by Laursen

Antioch was given further opportunity to grow when the Village Board Monday evening approved the opening of a new subdivision by Arthur Laursen on what is known as the Savage property facing Ida ave and Bishop st.

The land recently sold by the Rev. Joseph Savage is large enough for 820 lots. The local priest retained his residence property on Main st.

Laursen has built a fine residence for himself in this area.

The Savage property is one of the last of the vacant pieces of land in the central area of the village, the other being the Ackerman property on Broadway. The former called for much clearing before it could be used.

Merchandise off Truck Strikes Cardiff Auto

Don Cardiff, son of Mr. and Mrs. Harold Cardiff experienced an unusual automobile accident last Friday.

He was driving his 1955 Pontiac convertible about 4 1/2 miles south of Fox Lake on Rte. 12 when a north-bound truck lost a 10-inch tire and three boxes, which crashed into the Cardiff car.

About \$800 damage was done to the passenger car which fortunately did not turn over, although it nearly got out of control. Don received a cut on the finger as his only injury.

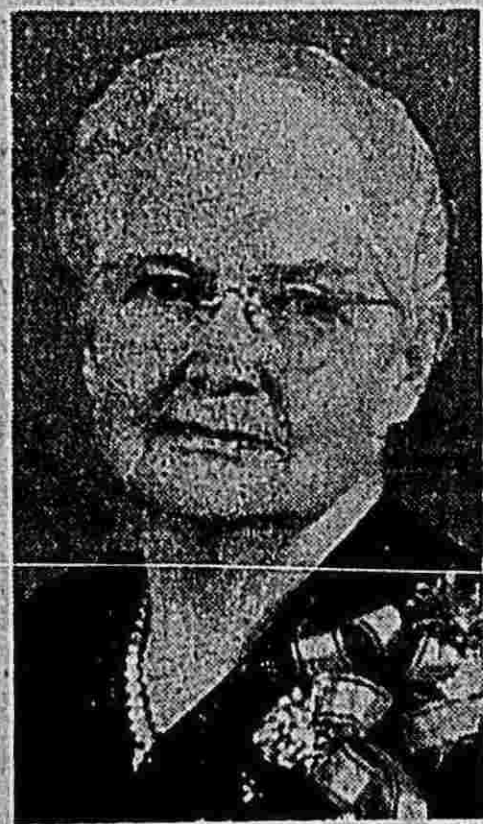

The truck belonged to the Moore Trucking Co. of Minneapolis, Minn., and was carrying a cargo to South Dakota. It is believed the door of the truck accidentally came open and the merchandise fell out. The tire bounced and crashed against the Pontiac windshield. Young Cardiff was alone at the time.

Mrs. Cora Hamlin too Ill to Continue Work As Correspondent of News at Lake Villa

Mrs. Cora Hamlin, who has been the Antioch News correspondent at Lake Villa for 30 years, was forced to end her duties last week when her right arm became paralyzed and she was unable to write her weekly column.

Over the three decades Mrs. Hamlin was punctual in supplying this newspaper with significant items about Lake Villa and to say that her weekly column will be missed is putting it mildly.

Mrs. Hamlin has lived in Lake Villa most of her life, having moved there from Waukegan where she

Mrs. Cora Hamlin

was born the daughter of Mr. and Mrs. Edward Kappie. She resided in Lake Villa before her marriage to Charles B. Hamlin, a contractor, who died six years ago.

Prominent in Lake Villa social affairs over the years, she has a wide acquaintance, but admits that she is not as well acquainted with the new people moving in as she would have liked.

Lake Villa people have been glad to give her their personal items because of her accurate and sympathetic treatment of the news.

Mrs. Hamlin regrets that she is having to lay her pen aside. She misses the friendly calls of persons giving her news. She is hopeful that someone can carry on the work that she is having to end.

"People like to see their names in the paper," she commented, "and I hope the Lake Villa news items can be continued."

Mrs. Hamlin corresponded not only for the Antioch News but for the Waukegan and Grayslake newspapers.

This newspaper joins her many friends in hoping that she improves in health and may soon enjoy normal living again.

West Allis Defeats Wilmot, Janesville To Enter Big Eight

Sectional at Salem Central Saw Wilmot Lose to Hale and South

Wilmot's loss last Friday night to Hale of West Allis at the high school sectional tournament did not bear such a hard sting when the winners turned around and defeated Janesville Saturday night 45 to 44 to become one of the Big Eight competing at Madison, Wis. this week.

The Hales unleashed a third quarter spurt which ran the score up to 49 to 27 and made victory seemingly hopeless for the Panthers.

Although a storm interfered with the lighting system during the game Saturday night, it wasn't enough to stop the play and Hale sprung a big surprise by downing Janesville by one point. Strangely enough with seconds left to play, Janisch of Janesville failed to toss a free throw which would have tied the score and given the Bluebirds a new chance for victory.

Hale had a scrappy team and according to neutral observers deserved to win.

In the consolation game Milwaukee South defeated Wilmot 83 to 55. South was really hot in this game and had the team been playing this kind of ball the night before, Janesville would have been defeated, according to some observers.

Salem Central proved a good host. Even with a few of the lights knocked out, one sports writer said there was more light left than in some of the other gymnasiums in the county.

The ushers did a good job in handling capacity crowds both nights.

Many Antioch fans saw the games both nights and enjoyed them.

Mr. and Mrs. Fred Franklin of Grass Lake rd., returned home Wednesday after spending the past three weeks in Miami, Florida.

Reckers, Huml Honored By Teammates at End Of Good B. B. Season

Al Reckers was elected honor captain, and Gerry Huml, the most valuable player of the Antioch varsity basketball squad by their teammates, according to Coach Larry Leon.

Reckers, 5-11 senior forward, led the team in scoring with 297 points, while Huml, 6-0 junior forward was next with 245 points. Huml, an accomplished rebounder, will not be lost through graduation as will Reckers, and he and Sid Parker, junior, forward, and Wayne Herbst, sophomore, center, will form the nucleus for the team next year.

Parker scored 148 points and Herbst, 170.

Walsh, senior forward, and Jim Fish, senior guard, will be lost to the team. Walsh scored 213 points and Fish, 143.

The Sequoits won 11 games and lost 10 including tournament play. They were undefeated by Libertyville, Richmond, Grayslake, Palatine, Warren, North Chicago, and Zion; split even with Grant and Fenton; and lost two games each to Wauconda, Dundee, Elmhurst, and Glenbrook.

Antioch scored 1,307 points to her opponents' 1,299, and averaged 62.2 points per game in contrast to her opponents' 61.9.

A school is considered to have had a good season if it wins more than half of its games.

Antioch players made 329 free throws, and missed 210, for a .610 percentage. Of field goals the Antioch players made 489 and missed 838, for a .369 percentage.

Opponents made 371 free throws and missed 247 for a .616 percentage, and made 484 field goals and missed 729 for a .389 percentage, both topping the percentages of the Sequoits.

Republican Club Rally Set for Saturday Eveg.

All county candidates have been invited to attend a Republican rally to be sponsored by the Antioch-Lake Villa Township Republican club this Saturday evening, March 17, at the American Legion home, Antioch.

The local club is acting in cooperation with the Republican Central committee. All voters are invited.

Announce Birth of Son

Mr. and Mrs. E. J. Heissler, 448 Claremont Ave., West Chicago, announce the birth of a son February 28. Mrs. Heissler was formerly Miss Adele Risch, daughter of Mr. and Mrs. Theodore Risch of Petite Lake, Antioch.

Begin Construction of New Aqua-Center Pool This Week

Mrs. Louis A. Biel To Head Cancer Drive

The American Cancer Society's educational and fund-raising Crusade during the month of April in Antioch will be headed by Mrs. Louis Biel of Channel Lake, it has been announced by Dr. Peter J. Farago, Lake County Drive Chairman.

The local quota for 1956 has been set at \$975, the same as last year's quota. In the county, a goal of \$37,500 has been set, an increase of about \$1,000 over last year's quota.

The overall increase represents Lake County's share of the national goal of \$26,000,000—an increase over the \$24,000,000 goal reached in 1955.

"The goal is larger in 1956," it was explained, "because of the rising over-all incidence of cancer in this country. This continues to be due largely to the fact that the span of human life has been considerably increased in recent decades. People live longer, and thus reach an age when cancer is most likely to strike."

"Through the years since 1934 the national cancer death rate has gone up and up. In 1934 the number of deaths per 100,000 population was 106—for 1954 the estimated rate was 147.

"The picture is not all dark, however, there have been encouraging reductions of deaths from certain forms of cancer, due primarily to newly applied techniques for the detection and treatment of the disease. In 1955 about 80,000 persons were saved from cancer, including 10,000 women who would have died from it 10 years ago.

Township Red Cross Drive Gets Under Way At Meeting Tuesday

Antioch's Annual Red Cross drive is beginning to move under the leadership of Mrs. Arnold Koenig, and co-chairman Mrs. Jack Sorenson. A meeting, held Tuesday evening, March 13, at the Antioch Rescue squad building saw workers assigned to territories and other business accomplishments.

Wm. Brook was appointed treasurer for the drive which will last all of this month.

Lake County Red Cross officials were present at the meeting. Among them were Lake County chairman J. P. Kottcamp, Lake County Chapter Chairman Wm. Westendorf, Mrs. Diamond, Home Service Department, and assistant Secretary Mrs. Carlson.

Mrs. Koenig said today that workers are still needed for Petite Lake; N. Main Street, Antioch; Felter's Subdivision; and Oakwood Knolls. Any persons who wish to help with the drive may call Antioch 836R for assignment.

Movies of flood areas were shown at the meeting. Former Drive Chairman George Borovicka, Herman Holbek, Captain of the Antioch Rescue Squad, messdames Donald Blake, Arthur Dalziel, Dan Lightsey, W. B. Gillum, Robert Griffin, C. L. Wysoglad, Chester Golomka, Ernest Westerlund, and Warren Polley were present at the meeting.

ATTEND FUNERAL OF THEIR FATHER

Mrs. William Lemke and Mrs. Robert Strang attended funeral services for their father, Edward Block, held at Whittenberg, Wisconsin, last week.

Contracts Awarded At Meeting Friday; Cost To Be \$75,300

Carey; Laursen & Blackman Are Successful Bidders

If weather permits, excavation for Antioch's new swimming pool will be started within a few days, according to John Blackman, of Laursen and Blackman, successful bidders for general construction of the pool. Frost is still present in a part of the area to be covered by the pool, but plans call for beginning on the unfrozen part, with the hope that warm weather will thaw the balance sufficiently to complete the excavation.

Contracts were awarded to the low bidders at a special meeting of the board of directors of the Antioch Lions Club Community Service Corporation held last Friday evening. Carey Electric & Plumbing was successful bidder on the plumbing, filtration, and electrical work, and Laursen and Blackman were awarded the general contract which covers the pool, cement work and the bathroom.

Costs of Building Up Faced with a total cost of the pool which exceeded the architect's estimate, the board deliberated alternatives, which included cutting down on the size of the pool and bathroom; or raising more funds for the project. It was decided that the latter course would be followed, since cutting down on size would reduce efficiency and capacity.

Forethought by the committee had anticipated the chance of a higher cost of construction in that an authorization for the sale of an additional \$10,000 in bonds had been voted by the corporation in the original resolution. It was decided to exercise this right, rather than to cheapen the pool.

Letters are being mailed this week to all purchasers of bonds offering the opportunity to purchase additional bonds. Little, if any, trouble in disposing of the bonds is anticipated since the original offering of \$70,000 was oversubscribed.

L. Villa Rescue Squad Donations Past Week

Contributions continued to come in during the past week to the Lake Villa Rescue Squad fund. They were in varying amounts with many giving in excess of \$5 to be listed as patrons.

The contributors up to March 13 are:

Harry Esterson, Harold Bestorp, L. V. Auxiliary V. F. W., N. H. Engle Sons, Ralph W. Eury, T. John Maki, Fox Lake Hills Assn., Frank Clauser, Henry Lundblad, Annie M. Price, Wm. J. Weber, Harry Weber.

Victor Schaefer, David Findley, Theo Piselski, Jerry Turek, David Irwin, James G. Jamison, Arthur Haley, Ray M. Johnson, Walter J. Stang, Jr., Walter Baye, E. J. Errison, Leo Barnstable, Mary Dibble.

Clarence Perkins, Sallie Groat (Saddle Inn), Ed Williams, Emil Delhke, Jacob Fish, Irving Park Y. M. C. A., Lakeland Realty Co., Wm. F. Greene, Don Summers (Lake Villa Pharmacy), B. C. Hamlin, L. R. Mercer, and Gordon Bonner.

High School Athletes And Cheerleaders to Be Guests of Lions

Famed Jesse Owens, Track Star, to Speak at Athletic Banquet Mon.

Ninety-nine students at Antioch Township High School who have appeared in sports during the past year will be honored as guests of the Lions club Monday at the Annual athletic banquet in the high school.

Cheerleaders who have led the pep sessions and cheering at the various athletic events will be present also with their adviser, Miss Nary Donovan. The varsity cheerleaders are Janet Rogers, Carole Hansen, Donna Reidel, Sue Wolfenbarger, Rosalie Morris, and Jackie Martin. The freshman-sophomore cheerleaders are Jill Gaston, Charlene Keulman, Karen Rentner, Elaine Christensen, Rose Ellen Furlan, and Sandra Barnstable.

Athletic Director Warren Polley, who serves as sophomore basketball coach; Laurence Leon, varsity coach; Stuart Good, freshman coach; Paul Kessenich, varsity football and track coach; Robert Heath, sophomore football coach, will be called upon to introduce their squads.

The Pep band, directed by Louis Chenette, will furnish music for the occasion.

Harold Cardiff, program chairman, will introduce William Brook, who will serve as toastmaster. The Rev. Alfred J. Henderson will give the invocation, and after the singing of America and the giving of the pledge of allegiance, Louis Biel, president of the Lions Club, will give the address of welcome. Donald Schroeder, president of the "A" club will give the response.

Principal Albert Dittman will present the coaches.

The trophy to the outstanding athlete will be presented by President Biel.

Guest speaker for the evening will be Jesse Owens, internationally famous track star. Owens, after beating the best track men in the United States, established three records at the Olympics in 1936. He is now a member of the Illinois Youth Commission.

Guests Monday night will include members of the board of education, village presidents of Antioch and Lake Villa, supervisors of the two townships, and County Supt. W. C. Petty.

\$2 Penalty to Prod Negligent Purchasers Of Vehicle Stickers

Traffic Ordinance Is Held Over to Next Meeting On April 3

Antioch car owners will have an incentive hereafter to purchase village license stickers earlier.

The Village Board in an adjourned session Monday night placed a \$2 penalty for purchases after July 1, unless there is a late car purchase.

The trustees by amendment of ordinance established the license fee at \$5, but after July 1 it will be \$7 to the negligent.

The incentive, it is hoped, will do away with the unpleasant task of the last two years of making arrests to force the purchase of the stickers.

Clerk Clarence Shultis said that the fee applies alike to all types of automobiles.

The Board left to the next regular meeting the passage of the new traffic ordinance that will give Antioch her first laws of this nature. It was said that Trustee E. H. Glenn now vacationing in Texas, and Ed-

Dairy Farmers to Get P. M. A. Questionnaires

Chicago — Every dairy farmer member of Pure Milk Association will receive a questionnaire asking his opinion on price support programs in the next few days.

The questionnaire sent out by Walter E. Winn, Richmond, president of the Association, explains that the government support program for dairy products is currently the subject of considerable controversy.

On a national level the Pure Milk Association works through the National Milk Producers Federation, an organization of dairy cooperatives. Winn is first vice-president of the Federation.

In the questionnaire dairy farmer members are asked to how their preference of several types of Government programs, ranging from no supports on dairy products to high support levels.

ECONOMIC HIGHLIGHTS

Ask the next ten taxpayers you meet whether they favor more efficient and economical government and you'll get 10 enthusiastically affirmative answers. But ask for specific suggestions as to where, how, and to what extent changes should be made, and you'll get all kinds of conflicting ideas. When it comes to government economy, as in so many other matters affecting human beings, much depends on whose ox is being gored.

This truism helps to explain why reforms proposed by the second Hoover Commission—which, it is estimated, would reduce the federal spending by \$5,000,000,000 to \$8,000,000,000 a year if adopted in toto—are finding the going hard. Various of the proposals, of course, are of a routine and essentially non-controversial nature, and these are gradually being adopted. But the big, basic recommendations, concerning the Defense and State departments, the Veterans Administration, government lending activities, water and power policy, and so on, are in a very different category.

On top of that, some serious misunderstandings of the philosophy which underlies the recommendations have gained wide currency. The reports run to thousands of printed pages. Few people have read them. So there has been plenty of room for misconceptions.

John Chamberlain, in a series of articles appearing in The Wall Street Journal, has attempted to clear the air and winnow fact from prejudice. The Commission, he observes, has been accused of trying to turn the clock back past Coolidge's time to McKinley's. It is said that it wants to cut government spending arbitrarily, no matter who gets hurt. As a matter of fact, Mr. Chamberlain points out, "nowhere has the Commission attacked 'spending' as such." It is not

against the government's social service and general welfare activities. In a number of cases the commission advocates very substantial increases in government spending. Fields of which this is true include the civil service, basic research in the Department of Defense, and basic medical research.

The Commission did recommend cuts, some heavy, where, in its opinion the cost is too high for the services rendered where something can be done better for less money, where there is needless duplication of effort, or where private enterprise can fill the requirements efficiently and economically. It found, to take random examples, that there are 26 different federal departments and agencies mixing in health activities; that simplification in paper-work can save \$288,000,000 a year; that there is a widespread unjustified competition with the banks and other private lending agencies; that the Treasury could save \$151,000,000 a year by better traffic management; that improved methods of disposing of surplus property and accounting practices would save huge sums.

The Commission, in other words, did not set its face against change, nor against the growth of government. What it did is summed up by Mr. Chamberlain in these words: "In running its survey lines through the forest of Big Government, the Commission turned up vast areas where dead wood abounds and saplings are starved for sunlight. But sensible conservation practices have cleaned up many a forest, and could be applied to this one."

"Calendar Art—With a Message"

Safety promotion has long been a major activity of the farm equipment industry. So far as is humanly possible safety is a built-in feature of the tractors and implements used on today's farms, but built-in safety of itself cannot prevent accidents. The greatest accident preventer is unending educational effort which encourages people to be careful.

One of the leading farm equipment companies (Minneapolis-Moline) recently distributed over a million copies of its current yearbook—a combination calendar and catalog. The cover painting shows a group of neighbors helping a farmer whose leg is in a cast and was apparently broken in a fall from a new farm building. The cast is inscribed "it pays to be careful." No one will ever know how many accidents this simple illustration may prevent, or how many lives may be saved. Irrespective of that, the company in question is to be congratulated on its choice of calendar art for 1956.

Several of the ladies attended the style show last Wednesday at the Lake Villa school given by Hein's. They enjoyed the fashions very much and the Hough's choir immensely. Proceeds went to Con-dell Memorial hospital.

On Thursday the ladies met at the home of Bernice Sanders and made cancer dressings.

Lois and Christine Olsen are back home from Woodstock, N. Y.

Astrid Johnson is back home from the hospital and feeling fine.

Lorraine, Susan and Billie Severson and LaVerne Bushnell were luncheon guests of Shirley Carlson last Wednesday.

Helen Severson and Millie Luehr, the two grandmothers, had luncheon at the Parkway last Tuesday and then went on a shopping spree. Mr. and Mrs. Bob Weismantel were blessed with a baby girl. This makes No. three. Proud grandparents are Barney and Myrtle Weismantel, Helen and Chet Jones, and Minnie Fischer, great grandmother.

Helen Voss, Florence Larson and Myra Galeski dropped in on Millie Luehr. Canasta was played (match).

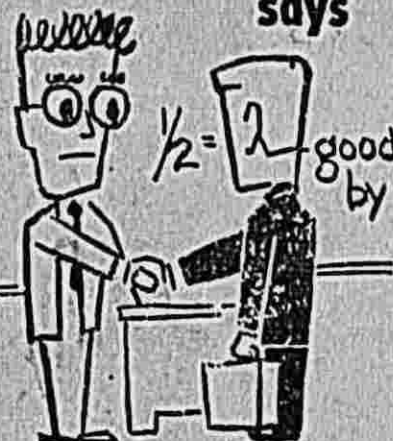

Dolores Conley was an over night guest of Myra Galeski Thursday. Weekend guests were Mr. and Mrs. Elmer Boddy and grandchildren.

Sunday guests were Dr. and Mrs. J. D. Swain.

The ladies' auxiliary will meet Friday, March 16, at the home of Helen Voss. Hostesses for the evening are Myrtle Weismantel and Helen Vos.

Saturday guests of Mr. and Mrs. E. Olson were Mrs. Kloock and Mr. and Mrs. L. O. Olson of Chicago. Sunday guests were Mr. and Mrs. W. Peterson of Chicago, Mr. and Mrs. Hans Anderson of DesPlaines.

EDDIE the EDUCATOR says

In 1953-1954 over one half of Illinois teachers outside of Chicago had taught four years or less in the same district. Too rapid teacher turnover is not good for the pupils.

Illinois Education Association

Ebba Huber celebrated her birthday last Saturday at Math Igle's in Chicago. Those on hand to make it merry were Eleanor Slocum, Ruth Murphy and Marzio Bonda.

Grandma Weismantel will take care of Kenny and Laura Joan while Mamma Shirley will get acquainted with her new baby.

Mr. and Mrs. Harold Severson were pleasantly surprised on their fourth wedding anniversary when they were presented with a 21 inch television by Mamma and Papa Luehr.

Mrs. J. Hansen, mother of Mrs. Jessie Schultz is a guest of Mr. and Mrs. Paul Schultz. She plans on staying a while.

State Auditor Orville E. Hodge supervises state expenditures of over one and one-half billion dollars to pay all the state's bills.

SOCIETY EVENTS

Women's Club to Hear Lecture on Jewelry at Meeting Next Monday

Yvonne Lambert, lapidary and lecturer, formerly of Paris, France, will talk on "The Romance of Gems" before the Antioch Women's Club when it meets at 1:30 p. m. Monday, at the Scout House.

She specializes in gems and jewelry instructions and lectures on "The Romance of Gems" giving information on the value, identification and care of precious and semi-precious stones. She brings with her display samples of her collection.

A business meeting of the board will take place at 12:30 preceding the meeting.

Mrs. Wendell Nelson will be assisted on the hostess committee by Mesdames Ted Larson, E. J. Sletten, William Rosing, Thomas Pechousek, Howard Gaston, Donald Chiappetta, Robert Coddington and Ernest Simmons.

BAPTIST BIBLE CHURCH ANNOUNCES MEETINGS

Teen-agers of the Baptist Bible church of Round Lake Beach had a nice surprise awaiting them when they arrived for their evening of recreation. The men of the church laid tile flooring in the church basement and provided two shuffle boards in the design. Equipment to go with it was provided by Harry Blair gratis.

The Junior youth groups will meet for their regular evening of fun and devotion at 7 p. m. tomorrow.

On March 17 the teen-agers will have a St. Patrick's Day party at 7:30 p. m. All attending must wear something green.

The Women's Missionary society will meet at the home of Mrs. G. E. Heuer of Townline Rd. at 8 p. m. tomorrow. All ladies interested are invited to attend.

Eight new members were accepted into the church last Sunday. Next Sunday at the 11 a. m. service there will be a dedication of babies. The Rev. William Franks will officiate.

LAKE VILLA WOMEN'S CLUB PRESENTS FASHION SHOW

Spring fashions were modeled Wednesday evening, March 7 at the Lake Villa school under an arrangement made by the Lake Villa Women's club.

The program was opened by the Frank G. Hough Co. chorus of Libertyville, Grace Timmersman of Lake Villa was the organist for the evening.

The professional models and the lovely Lake Villa models, Linda Petersen, Christine McNeil, and Patricia Wood paraded the latest in spring fashions down a walk displaying a mock picket fence with coy face flowers peeking over to greet them. Refreshments were served by the club. Proceeds will benefit the Condell Hospital fund.

A Girl for the Rosses

Mr. and Mrs. George Ross now have a girl baby in their home. The young Miss, named Diane Louise, was born Sunday in the Burlington hospital and weighed 8 pounds and 6 ounces. Diane has two brothers.

WOMEN OF THE MOOSE TO SERVE IRISH DINNER

Members of Antioch Chapter Women of the Moose plan to serve an Irish dinner at the Moose Home, Saturday, March 17 from 5:30 to 7:30 p. m. The public is invited.

PARENTS OF SON

HM2 and Mrs. Robert Duben announce the arrival of a son "Robert Francis", born February 25 at the U. S. Naval hospital at Camp Lejeune, North Carolina. Mr. Duben is the son of Mrs. Margaret Duben of Cross Lake and is a graduate of Antioch Township high school. He leaves this month for overseas duty.

On Dean's List

Peter C. Appleby, son of Mr. and Mrs. C. Appleby of Lake Villa, a member of the freshman class at Hamilton college, has been named to the Dean's list for the first semester of 1955-56. The list, released March 2, named Appleby among those of his class to have honor average.

The Antioch Grade School Parent Teachers Association will hold its regular meeting Monday evening March 19 at 8 p. m. in the school auditorium. The program will consist of selections by the Grade school band, directed by George Olsar, music director. Second grade mothers Mesdames Jack Crandall, Norman Jedede and Charles Mender will serve refreshments.

Engagement Announced

Mrs. J. B. Fields announces the engagement of her daughter, Mary Louise to Thomas John Haviland, son of Mr. and Mrs. Bernard J. Haviland, Tiffany road. No definite date has been set for the wedding.

Mr. and Mrs. George Tuck, Indian Point, Antioch, returned home this week after spending the winter in California.

Garden Club Plants Flats of Flowers at C. F. Spiering Home

The Garden Club Section of the Antioch Women's Club met on Monday afternoon at the home of Mrs. Clarence Spiering where the hostess led in a discussion and demonstration of the planting of flats. Those present wore work clothes and planted flats of flowers for themselves and absent members and left them in the Spiering greenhouse to grow.

Two colored sound films were shown. One was "Garden for Abundance" which showed small vegetable gardening from the spading to the harvest and included the planting of flats.

"Where New Flowers are Grown" showed the flower fields of California from which most of the flower seeds for the world come. Acres of blooms of a single color were shown along with methods of irrigation, cultivation and harvest and the production of new varieties by selection and hybridization.

The women made plans to attend the Illinois Garden Club exhibit in the new Prudential building in Chicago on Friday. They will meet at the home of Mrs. Spiering and drive in.

It was voted to continue meetings over the summer, but the April 9 meeting was cancelled because it would conflict with the Women's Club tour to Milwaukee planned for that day.

Twelve of the women went to the Mid-winter Federation meeting at the Zion Woman's Club last week and heard Mrs. R. Holtz of Western Springs speak on the growing of roses. Antioch's delegation was the second to the largest group of guests.

Mrs. O. I. Onstad will entertain the Garden Section when it meets next at her home on Linden Lane on May 14.

Richard A. Westgard Completes Training

FORT KNOX, KY.—Pvt. Richard A. Westgard, 19, son of Mr. and Mrs. W. L. Westgard, Route 1, Petite Lake, Antioch, Ill., recently completed ten weeks of advanced individual training under the packet platoon system at the Armored Replacement Training Center, Fort Knox, Ky.

Westgard was trained to drive the Army's medium tank. He passed the .30 and .50 caliber machine gun proficiency tests and qualified as a gunner in the firing of the 90 mm. tank gun.

Under the packet platoon system of training, each trainee becomes a permanent member of a tank crew. Westgard entered the Army last September and completed basic training at Fort Leonard Wood, Mo. He is a former student at Lawrence College in Appleton, Wis.

Fox Lake Home Show At Grant High Sunday

The Fox Lake Grade School P. T. A., in conjunction with the Fox Lake Chamber of Commerce, will present the fourth annual Fashion and Home Show on Sunday, March 18, 1956 in the Grant Community High School Gymnasium.

Doors will open at 1:00 p. m. and the fashion show will begin promptly at 3 p. m., after which the Home Show will be in full swing.

There will be free movies for the children. Refreshments will be served. Tickets will be on sale at the door or may be obtained from members of the P. T. A.

Secretarial Conference To Be at Karcher Hotel, Waukegan, Sat., April 7

A one-day secretarial conference will be held Saturday, April 7, at the Karcher Hotel, Waukegan. The meet, sponsored by Shoreland Chapter, The National Secretaries Association, is the first of its kind to be presented in the area, according to Mrs. John F. Papen, chairman, secretary to S. A. Briggs, vice-president, Outboard Marine and Mfg. Co.

The meeting will open with registration at 8:30 a. m. and convene at 9:30 a. m. for a program of lectures on human relations, letter writing and secretarial manners. Two panels also are planned, one to have as its topic, "Management Views the Secretary" and the other, "Educational Opportunities for the Secretary."

A nominal registration fee will include luncheon in the Coral Room of the hotel. Names of lecturers and panelists will be released in about ten days when all confirmations have been received, said Mrs. Papen.

Preliminary announcements are being mailed to employers and personnel directors, as well as secretaries, throughout Lake County. Diligent effort was made to obtain names of all who might be interested in the conference, but any employer or secretary who does not receive the announcement may secure information from Mrs. Alice Betlach, 227 N. West Street, Waukegan.

Mr. and Mrs. William Valkenaar of Lake Catherine have recently moved to their new home on Grand Avenue, Lake Villa.

Antioch Girl Scouts Will Take Part in Big Exhibit at Round Lake

More than 1,000 Girl Scouts, using as their theme "Believe, Belong, Build", will join together on April 7th to present the sixth annual Lakeside Council Girl Scout Exhibit.

This public event is the Lakeside Council's biggest affair every year, and is presented for the purpose of promoting greater public relations between the Girl Scout Organization and the communities. It enables the Council to show the skills and knowledge the girls have acquired through the Girl Scout Program, principles of friendship, courtesy, demonstrates the basic Girl Scout and service, and encourages further youth and adult membership.

The exhibit will be held at the Round Lake Consolidated Grade School on Cedar Lake Road, from 3:30 to 10:00. There is no admission charge, and the general public is cordially invited to attend.

Serving on the exhibit committee this year are Mrs. Anthony Scully, Antioch; Mrs. John Sims, Round Lake; Mrs. Richard Teasdale, Round Lake; Mrs. Donald Jewel, Gages Lake; Mrs. Wanda Boxley, Fox Lake; Mrs. Lester Hribar, Indian Point; Mrs. Eugene Erickson, Round Lake; Mrs. Jack Richardson, Grayslake, and Mrs. Lloyd Chase, Lake Villa.

In addition to many fine exhibits created by the troops, there will be a program at 4 P. M. presented by Brownie troops, and another program at 8 P. M. by Intermediate troops. Troops planning to participate in the programs are urged to contact Mrs. Richard Teasdale at Kimball 6-2795 before March 22nd.

Information regarding the camp session for Intermediates June 6 to 12 at Druce Lake Camp will be available at the exhibit, and adults interested in camp counselling work may also register then. Women who enjoy helping young teen-age girls will find they can easily fit into the camp program which includes a wide range of crafts, sports, nature, games, singing, dancing, and other activities. Further information may also be obtained by calling Mrs. John Sims at Kimball 6-1604.

Towns and villages participating in the exhibit include Grayslake, Antioch, Channel Lake, Grass Lake, Indian Point, Lake Villa, Venetian Village, Round Lake Village, Beach and Park, Fox Lake, Ingleside, and Long Lake.

Dr. Wesley Westerberg, president of Kendall College, Evanston, Ill., will speak at the Lenten Fellowship meeting in the Methodist church of

Dr. Westerberg

Antioch at 7:30 p. m. next Tuesday. Sunday, March 18th church school will meet at 9:30 a. m. and morning worship will begin at 11 a. m. Both the Lenten Fellowship meeting and Sunday morning worship are open to all who are interested.

Local Cub Scout Pack Gets Excellent Award At Scout-O-Rama Show

An award of "Excellent" was presented to Antioch Cub Scout Pack 92 for participation in the Scout-O-Rama Show which was conducted by the North Shore Area Council on Saturday, March 10, at the Round Lake Consolidated school.

The booth of Pack 92 which was one of 46 in the show featured Leathercraft work.

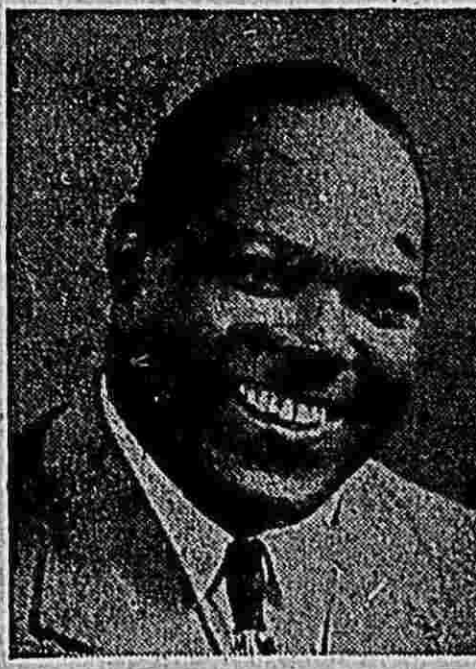

Under the direction of the Den Mothers, all dens were scheduled to appear in the working display at various intervals during the show which ran from 2 to 9 p. m. Among the items turned out by the scouts were leather comb cases, Scout neckerchief slides and book marks, all attractively designed with the use of a wood burning pencil and featuring the Scout-O-Rama emblem for this year. Samples of the work produced were presented to those attending the show.

Two dens of Pack 92 also presented amusing skits. The first presentation, a pantomime skit under the direction of Den Mother Rosemary Eckert was given at 4:00 p. m. The second skit concerning the January theme of the Cub Scout program, "Pirate Waters," was presented at 8 p. m., under the direction of Den Mothers Mrs. Pearl Taylor and Mrs. Lorraine Blackman and accompanied by Committeeman Bob Taylor who gave a humorous poetic style narration.

Pruth McFarlin, Tenor, To Appear in Millburn

An unusual musical treat is promised when Pruth McFarlin, the distinguished Radio and Concert Tenor, appears in the Millburn Church at 7:30 P. M. on Sunday, March 18, under the auspices of Pilgrim Fellowship.

Accompanied by the talented pianist, Sarah Hedrick, Mr. McFarlin will present a program to please

PRUTH MCFARLIN

those of the most varied musical tastes. He appeals to children as well as adults. His repertoire includes familiar operatic songs, standard sacred and secular numbers, beautiful negro spirituals and familiar popular ballads.

J. A. Berreiter, of Klopp's Resort, Rte. 2, Lake Marie is scheduled to graduate from recruit training March 17 at the Naval Training center, Great Lakes, Ill. The nine weeks of boot camp include drill and instruction in seamanship, gunnery, life saving, sea survival, boat handling and the use of small arms. Following a two week leave, graduates will be assigned to shipboard duties or service schools depending on the qualifications each has demonstrated.

Parents of Daughter

Mr. and Mrs. Charles Rigby of Champaign are the parents of a baby daughter, "Susan," born March 9th at Champaign. Mr. Rigby is the son of Mrs. Marion Harden of Antioch and is making his home in Champaign while attending the University of Illinois.

Mr. and Mrs. Paul Gulon of Chicago were Sunday guests of Mrs. Frank Runyard at her Channel Lake home.

Rev. Adolph Krahl, 60, Formerly of Antioch, Dies in Phoenix, Ariz.

The Rev. Adolph Krahl, 60, pastor of the Antioch Methodist church from 1926 through 1929, died recently at Phoenix, Ariz. His death followed a hospitalization of but a few days and resulted from a liver infection.

He was noted as the founder and director of the Goodwill industries in Arizona.

Mr. Krahl was born in New Haven, Conn., studied at Yale Divinity school, and was ordained a Methodist minister at Garrett Biblical University in Evanston, Ill. After serving several pastorates in Illinois he went to Arizona in 1936 and for 10 years was a missionary among the Indians at Yuma.

He went to Phoenix in 1946 and founded the Goodwill Industry with a grant of \$40,000. Crippled persons were rehabilitated and provided work to earn their living. In six years the industry paid more than \$200,000 in wages, in addition to earning \$100,000 to expand the institution.

Surviving are the widow, Mira E. Krahl, three sons, Leonard, of Phoenix, Robert of Seattle, Wash., and Jack of Tempe, Ariz.; a daughter, Mrs. Kent (Catherine) Green of Owosso, Mich.; three brothers, a sister, 12 grandchildren, and two great grandchildren.

Burial was at Phoenix.

A.T.H.S Honor Roll

No fewer than 80 names appear in the honor roll for the fourth six-week period at Antioch Township High School.

The freshman class not only has the second largest number on the roll but there are four members who scored 20 points or a perfect A grade for all subjects. They are Bryan Cain, Mary Lou Geist, Sally January, and Cleon Schley.

The senior class listed 25 on the roll, but no one reached the ceiling grade. The same was true of the sophomore class which had but 15 on the roll.

The Junior class with 18 members on the roll listed two who achieved the 20-point record. They are Rosa Mena and Richard Sch.

The honor roll is as follows:

Seniors—Robert Cain, Jill Camp-hausen, Arlene Cribb, Donna Dittmer, Barbara Doolittle, Carole Hansen, Joan Haydon, Albert Herman, John Kelly, Sheryl Mair, Jaclyn Martin, Donna Masopust, Lenore McCord, Lillian McNeil, Jerome Meyer, Janet Nox, Diane Olson, Marilyn Paglusch, Ora Lee Paszkiewicz, Eugene Prange, Diane Robis, Marye Schwicht, James Stonis, Mary Tully, and Frank Walsh.

JUNIORS—Ramona Ahrens, Sandy Angeloff, Marilu Bushing, Jeanne Filiatreault, Lynn Gray, Laura Hansen, Judy Horton, Rosa Mena, Antoinette Nering, Richard Rihi-maki, Janet Gretchen Rogers, Richard Sch, Robert Sturm, David Valkenaer, Richard Vlk, Ralph Zeien, and Patricia Dahm.

SOPHOMORES—Cathy Arndt, Joan Burton, Larry Dewar, Frank Ferdon, Mary Forbrich, Roy Hartman, Dorothy Jach, Richard Jones, David Mitchell, Kathleen O'Haver, Karen Rentner, Gwenn Royer, Tom Sanhammel, Nancy Wetterberg, and Paula Zeien.

FRESHMEN—Stephen Aschen-brenner, Bryan Cain, John Dupre, Mary Lou Geist, Linda Hollocker, Sally January, Janet Keisler, Beverly Krakowski, Minda Kuznickas, Faye Mann, Diane Mantis, Vincent Nauseda, James Oilschlager, Sonya Pickus, John Proesel, Margaret Ptasinski, Cleon Schley, Thomas Schisler, Forrest Stahmer, Carolyn Stof-del, Raymond Teml, Donna Win-stead, and Barbara Yates.

\$2 Penalty to Prod.....

(continued from page 1)

mund Vos, now on vacation in Florida, wish to be present when the ordinance comes up for passage.

The trustees gave the Lions Community Service Corp. a permit to construct the new swimming pool. The fee was waived because the pool is of general public benefit.

A building permit was issued to Kenneth Kirchmeyer, contractor, for construction of a model home at Antioch Heights. The value was placed at \$12,000.

Clerk Shultis was authorized to advertise for bids on the annual audit of the village books.

The village has a new automatic traffic timer which is being tried out ready for use later.

The trustees were pleased and awed by the large trophy that Supt. Walter I. Scott and Trustee George F. Garland brought home from Springfield as an award for having the best sewage disposal plant for a town of this size. The trophy is a large gold statue type of award and is passed from one winner to another.

Antioch is the second village to have its name engraved on the base of the trophy. As the village surrenders it next year, it will receive in exchange a plaque.

Lt. Cdr. C. O. Fiske, USN, now a pilot with the U. S. Antarctic expedition, has tangled firsthand with polar bears, dropped into icy crevasses in polar glaciers, fallen overboard in arctic waters, and has been involved in eight aircraft mishaps in the Arctic and Antarctic.

V.F.W. Auxiliary Fills Easter Seal Envelopes for Mailing

Members of the V. F. W. Ladies Auxiliary No. 4308 are shown filling envelopes with Easter Seals to be sent out in raising money for the Crippled Children's Aid Assn. of Lake County. They are, left to right, front row, Mesdames Florence Behrens, Romona Sheehan, M. R. McCullen, Zelma Nickerson, and Robert Fink; back row, Mrs. Madeline Selacero, and her husband, Anthony Selacero, chairman of the drive, and Mrs. Rozella McCarthy, newly elected president of the Ladies Auxiliary.

Brings Cake From Los Angeles

Betty Jean McDougall, daughter of Mr. and Mrs. E. J. McDougall is shown presenting a birthday cake to her father which she baked in Los Angeles and then brought by plane in a matter of a few hours to his home on Rte. 173 recently. Miss McDougall, a graduate of the University of Illinois is employed as stewardess for the Transworld Airlines, and is stationed in Los Angeles. She is now home for a two-week leave to take care of her mother who suffered a stroke about a month ago.

Ben Franklin Had An Idea..

Rochester, N. Y.—Nearly 50 million Americans today enjoy better vision thanks to the ingenuity of Benjamin Franklin—born 250 years ago on January 17, 1706.

Franklin invented bifocal lenses and thereby gave a gift of

youthful vision to future generations of glasses-wearers.

Because he was annoyed with his "reading" to his "distance" spectacles, Franklin cut the lenses of each pair in half and joined them together in a single frame. Thus he could look through the lower half for reading and close work, and the upper half for seeing distant objects.

Today, bifocal lenses are produced by the millions. A large proportion of them are turned out by the Bausch & Lomb Optical Co., Rochester, N. Y., which this week manufactured its 55 millionth pair

of bifocal lenses in a highly specialized bifocal manufacturing plant, said to be the most modern of its kind in the world.

Franklin was 78 when he invented bifocals. Today, with good vision more important than ever before in a complex, high-speed civilization, many people start wearing bifocals at 35 or even younger. Bifocals become useful as the eyes lose their ability to "shift gears", from distance to close seeing—a natural process which affects everyone eventually.

Today, nearly 40 per cent of American adults wear multi-focal lenses, mostly bifocals. Because of these lenses, the country's rapidly aging population is able to drive, to read, to work and to do dozens of other things which might not be possible otherwise.

Modern multi-focal lenses are far different from the crude glasses which Franklin devised 171 years ago. The latest design, contains a "panoptik" lens segment, designed to conform to natural eye movements. Modern glass technology and precision manufacturing techniques, have made it possible to create trifocal and even quadri-focal lenses, all designed to help the mature human eye see comfortably and efficiently at all distances.

Democrats Plan Rally at Round Lake March 24

Political importance of Western Lake County became significant today with the announcement by Draper L. Daniels, chairman of the County Democratic Central committee, that a major rally would be held March 24, at the Round Lake High school.

Democratic Senatorial, State and County candidates will be guests at the pre-primary event. Daniels declared that the ever-growing population and the keen interest of voters in the western part of the county justified holding the rally at Round Lake. The affair will be followed in the evening by a plate dinner at the Johns-Manville Club in Waukegan.

Chief guests at the Round Lake reception will be Herbert C. Paschen, candidate for governor and Richard Stengel, United States Senatorial candidate.

The event will get under way at 4 p. m. Admission is free, but is restricted to ticket holders. Tickets may be obtained from Democratic committeemen or at the door.

The plate dinner is scheduled to start at 6:30 p. m. Reservations must be made by March 17. Tickets may be obtained at the office of Raymond A. Jadrach, 7 South County St., Waukegan.

Rock Lake Subdivider Killed in Car Crash Burial Was in Chicago

Funeral services were held in Chicago for William M. Ullrich, 68, of Rock Lake who was found dead early last Thursday morning in his car on Rte. 21 a half mile north of Petite Lake rd.

An examination showed that death was the result of injuries received when he apparently lost control of the car and it veered from one side of the road to the other and then crashed against a culvert. The Antioch Rescue squad took the body to a physician's office where Ullrich was pronounced dead and then took it to the Strang Funeral home. Later it was removed to a chapel at 2118 Lawrence ave. in Chicago.

Ullrich conducted a real estate business at Rock Lake near Trevor, Wis., which subdivision he developed.

The searchlight in the wingtip of a Navy P5M patrol plane is equivalent in brightness to 15,000 one hundred watt bulbs.

School Board Meeting...

(continued from page 1)

pared statement was read by Secretary Louis Biel. The statement follows.

"When a teacher is employed by a school district for the first time, he enters into a period of probation. Under the conditions of the tenure law, probation means "serving on trial". If during the probation the instructor is not to be employed for the next school term, the Board of Education in accordance with the School Law must notify the teacher in writing sixty days before the end of the school term.

Two probationary instructors employed by our district have been duly notified in strict compliance of the school law that they will not receive contracts for the 1956-57 school term.

The written notices are as follows:

Mr. Robert Chandler
Antioch Township High School
Antioch, Illinois

Notice of Dismissal as a Teacher

Please take notice that at a duly convened meeting of the Board of Education of School District No. 117, Lake County, Illinois, held on February 15, 1956, a resolution was adopted by said Board that your services as a teacher for this school district shall be terminated at the end of this school year, namely: June 5, 1956, and that you will not be reemployed by this district thereafter; that you shall consider this as a notice of dismissal as a teacher as of such date.

That as reasons for dismissal said resolution provided as follows:

THAT ROBERT FRED CHANDLER, A PROBATIONARY TEACHER, is

1. Unable to cooperate satisfactorily with the principal and the chairman of the mathematics department and
2. Unable to develop the proper teacher relationship with the slow learning pupil; and
3. That the interests of this school district require his dismissal:

Dated: March 2, 1956

BY THE ORDER OF THE BOARD OF EDUCATION ANTIOCH TOWNSHIP HIGH SCHOOL DISTRICT 117.

Fred Scott, President

ATTEST: M. C. Cain, Secretary

Mr. Robert Elmer Heath
Antioch Township High School
Antioch, Illinois

Dear Mr. Heath:

Notice of Dismissal as a Teacher

Please take notice that at a duly convened meeting of the Board of Education of School District 117, Lake County, Illinois, held on February 15, 1956, a resolution was adopted by said Board that your services as a teacher for this school district shall be terminated at the end of this school year, namely: June 5, 1956, and that you will not be reemployed by this district thereafter; that you shall consider this as a notice of dismissal as a teacher as of such date.

That as reasons for dismissal said resolution provided as follows:

THAT ROBERT ELMER HEATH, a probationary teacher is

1. Unable to develop satisfactory coaching techniques; and
2. Unable to maintain proper class attitudes; and
3. That the interests of this school district require his dismissal.

Dated: March 2, 1956

BY ORDER OF THE BOARD OF EDUCATION, ANTIOCH TOWNSHIP HIGH SCHOOL DISTRICT 117.

Fred Scott, President

ATTEST:

M. C. Cain, Secretary, pro tem.
STATEMENT BY THE ANTIOCH TOWNSHIP HIGH SCHOOL BOARD OF EDUCATION

March 14, 1956

One probationary teacher employed by our district has been properly notified in strict compliance of the School Law that she will be placed on a third year of probation for the 1956-57 school term. The written notice is as follows:

Miss Patricia Howard
Antioch Township High School
Antioch, Illinois

NOTICE OF EXTENSION OF PRO-

BATIONARY PERIOD AS A TEACHER

Please take notice that at a duly convened meeting of the Board of Education of School District No. 117, Lake County, Illinois, held February 15, 1956, a resolution was adopted by said Board that for reasons in the best interests of the School District, the employing Board hereby elects to extend the probationary period for Patricia Howard for one additional school term; that this should be considered notice of extension of your probationary period for one additional school term.

Dated: March 2, 1956

BY ORDER OF THE BOARD OF EDUCATION ANTIOCH TOWNSHIP HIGH SCHOOL DISTRICT NO. 117

Fred Scott, President

ATTEST:

M. C. Cain, Secretary pro tem

Principal Dittman has been delegated by the Board of Education the full responsibility of administering the school plant and program. One of his responsibilities is to recommend to the Board annually the teachers who are to be placed on tenure or those instructors who will not be placed on tenure. In fact, Mr. Dittman reports to the Board each year on all staff members that are employed by the district.

Principal Dittman at a properly called special Board meeting February 15 recommended to the Board that Mr. Chandler and Mr. Heath be not employed for the 1956-57 school term and that Miss Howard be given an extended probationary period. These recommendations were accepted and passed unanimously by the Board of Education and are so recorded in the minutes of the February 15 meeting. The Board has taken this action well in advance of the sixty-day notification requirements to enable Mr. Chandler and Mr. Heath the opportunity to seek employment in other school systems and to allow Principal Dittman sufficient time to secure teacher replacements.

According to the School Law probationary teachers do not have the right to a hearing or appeal.

The Board of Education sincerely invites all citizens of the district to visit school at any time to see the full and complete operation of the total school program.

Principal Dittman personally welcomes visitation to his office by parents and friends of the high school. Mr. Dittman is anxious to discuss at any time the various aspects of the school program.

After reading of the statement, several questions concerning the mechanics of teacher employment were asked by various persons. These were answered by Dittman and Biel.

Mr. Chandler and Mr. Heath each took the floor and spoke briefly, both asking for more specific reasons for the action of the board. These requests were not honored, but were answered, in effect, that the administration and the board would not engage in a "verbal clash" or debate of the correctness of their actions.

Other requests that more specific information be given at that time were also refused, but a counter suggestion that any persons interested could call at the high school for a conference with Dittman at any time to take up any matters pertaining to the school.

A petition, asking re-consideration of the matter of dismissal of Chandler and Heath was read by William Horton, Jr. Mr. Horton said that he had been asked to present the petition to the board, and added that it carried the names of a good many high school students. No comment was made on the petition, other than a statement by President Scott, that petitions signed by students would not be considered at that time.

Secretary Biel took the floor and told those present that since the action of the board had been taken on February 15; that a decision had been made not to reconsider the case, that he felt that time was being wasted. He added that much business remained on the agenda, and that those who wished were very welcome to stay. Most of those present left at that time.

CHECK THE AD-VANTAGES OF USING THE CLASSIFIED AD SECTION

Turn to the Want Ads in this newspaper—now, read carefully. Look—there's a bargain on a used car—and a swell buy on a refrigerator—and a dandy bike for Junior, and a terrific house for sale! Maybe today you're not interested—but you may be tomorrow or the day after....That's why it's a good and thrifty habit to read the Want Ads regularly. It's a good idea too, to use them when you have a service to offer, something to sell, or a specific need in mind. Want Ads can work for you—efficiently and economically.

OUT ON A LIMB

By Stumpy McCulloch

Marring ain't half as bad as some people make it seem. It has its advantages. Only a married man can live on less than a single man. He has to.

If you like lookin' at trees as much as I do, this earth is pretty nice. And if you do, there's something you can do about keeping our forests green and full. There's a campaign now, to keep our forests safe from fire, called "Keep America Green." Prominent men are working to make certain we've got places to hunt and work and get lumber to build houses.

A pen-pal writes about houses in his last letter to me. He says he's planning to buy one and settle down, just as soon as some one invents a lawn that sheds once a week.

Some of the older folks around town bemoan the fact that the younger generation just ain't actin' like their fathers. After knowing some of the fathers for so many years I'm certain that's a good sign.

Walter Potter, popular Maryland distributor of those chain saws named after me, says the best way to locate a parking place is just to circle the block. You'll see the car ahead pullin' into it.

If you own one of these cars...

it'll pay you to trade now for a new 1956 PLYMOUTH

Perhaps you haven't bought a new model of your present make of car because you've been disappointed at how little that car has changed this year. Fact is, the only really NEW low-price car this year is PLYMOUTH, and it'll

pay you to buy a new 1956 Plymouth NOW. Your present car is at the peak of its trade-in value today, and right now you'll get a money-saving High Volume Deal at your Plymouth dealer's. See him today—you'll be glad you did.

ONLY PLYMOUTH'S NEW THIS YEAR. In a year of otherwise "warmed-over" car styling, Plymouth brings you tomorrow's styling today in its all-new Aerodynamic Design. Plus the biggest size of any low-price car.

NEW PUSH-BUTTON DRIVING—Plymouth's alone in the low-price three! A positive mechanical control, Push-Button Drive is the safest and easiest ever designed! Optional on all 29 new Plymouth models. Try it!

PLYMOUTH GIVES YOU MORE VALUE for your dollar with features such as electric windshield wipers, Safety-Rim wheels, twin-cylinder front brakes that the other low-price cars don't have. See the NEW Plymouth today!

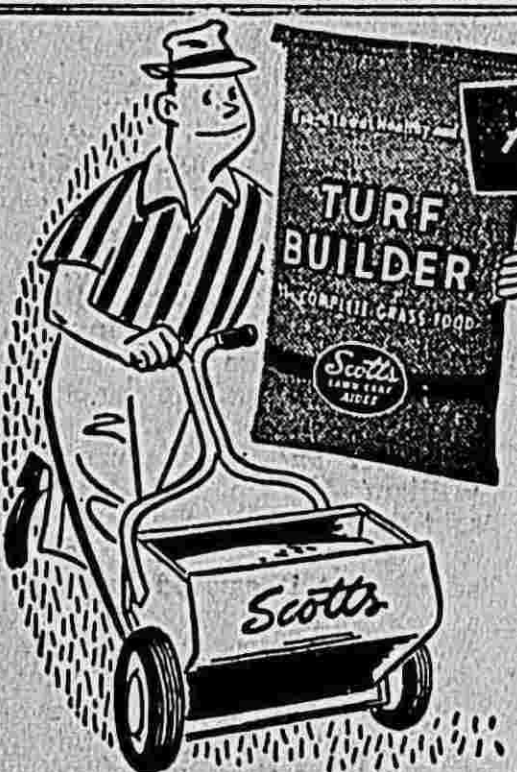

PLYMOUTH costs less

From the day you buy it...through all the years you own it...you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.

Hudson Has Insurance Plan

Customers who buy a new and unused Hudson Hornet, Wasp, Rambler or Metropolitan automobile at the Main Garage, 845 Main st., Antioch, Ill., will receive, at no extra cost, a \$25,000 personal automobile accident insurance policy.

"This insurance program reflects our confidence in the single-unit body construction used on all Hudson cars," Jim Maplethorpe, owner said.

Maplethorpe said the policy provides \$25,000 coverage for purchaser and spouse in the event of fatality to both, or \$12,500 in the event of fatality to one, while driving or riding in the privately-owned Hudson car. The insurance is in effect for the entire year following original purchase of the car and can only be cancelled within that period by transfer of auto ownership.

Inspiration for the program came from the frequent letters of owners who credited the saving of their lives to the built-in safety of single-unit constructed cars in accidents they described as being "otherwise fatal."

Maplethorpe pointed out that single unit body construction, in which body-and-frame are one solidly-welded unit, provides maximum built-in safety, as it puts additional structural strength ahead of and around the passenger compartment. The "three-dimensional" frame completely surrounds the passenger compartment and affords more effective protection under impact from all directions, as opposed to conventional types of construction

in which the frame is merely a platform to which the body is bolted. This impact-absorbing construction serves to localize the force of a collision, reducing body distortion and the tendency of doors to fly open under impact.

**TAKES OFF
LIKE YOU'RE WEARING SPURS**

Come try it —
and you're in **BUICK'S THRILL-A-MINUTE CLUB**

THE THRILLS begin in the first sixty seconds —and from then on they come in clusters.

Right off, you feel the stepped-up getaway in Buick's new Variable Pitch Dynaflo*—a blazing new take-off even before you switch the pitch.

Because now—right in the topmost inch of pedal travel—right where you do most of your driving—right in the fuel-saving economy range—you're moving with a solid new "take-hold" getaway that's brisk and blessedly smooth.

Then you double the thrill.

For when you want to pass—or climb—or get out of a tight spot fast—you floor the pedal and switch the pitch. That brings you an absolutely smooth burst of full-power go-ahead on the split second—and it's the nearest thing to soaring flight yet.

It's a double-barreled package of excitement—

and it's teamed with the most powerful V8 engine in Buick history—a 322-cubic-inch engine with no less than 9.5 to 1 compression in every CENTURY, SUPER and ROADMASTER.

All that would seem like thrill enough—but you'll find you've hardly scratched the surface.

You'll find yourself glowing all over from the sweet and level buoyancy of Buick's great new ride.

You'll feel a serene satisfaction from the way this trim beauty handles and corners and tracks to the road with the truest sense of direction yet.

And certainly you'll have to feel the good feeling that's yours just from bossing this big and brawny and beautifully sculptured automobile that's like a thing alive, and impeccably obedient.

We'd like you to know and feel all this firsthand—just by trying out a new Buick. That's all you do to join Buick's Thrill-A-Minute Club.

Why not become a member in good sitting today? And when you do, we have some big-thrill news on prices, too.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Clarify Filing Requirements for Wives and Students

From Delbert J. Luippold
Acting District Director Internal Revenue Service

Many taxpayers are under the impression that a wife is dependent on her husband and that if her income is under \$600 she can file her own return to obtain a refund and still be claimed by her husband on his return.

This has been a practice followed by many wives who later found that their returns had to be adjusted to correct the claiming of their exemption twice.

Wife Not a Dependent

Under no circumstances can a wife be claimed as a dependent by her husband. A husband is allowed to claim the exemption of his wife as a spouse by reason of the marital relationship. The rules that apply to the spouse exemption are different from the dependency exemption.

A wife may file a joint return with her husband whether or not she has income. If she has income, she may file jointly or separately.

If she chooses to file separately, then she claims her own exemption on her return and her husband is not allowed her claim on his return.

College Students Required to File

There has been some misunderstanding concerning the status of college students as taxpayers since the next tax law liberalized their status as dependents. College students, like any other taxpayers, are required to file income tax returns if their gross income for the year is \$600 or more. The provision of the new law refers to the status of college students as dependents. If a student earns more than \$600 during his taxable year, his parents may still claim him as their dependent as long as they provide chief or full support and he is a full student in an accredited school for at least 5 calendar months of the year. Even though the student may be claimed as a dependent, he himself must file his own return and report his own income.

If the student's income is less than \$600 and the employer withheld taxes, then the student should file

A New Tool Is Perfect Gift For the Handyman in Home

The secret of choosing gifts for birthdays and special occasions is simple — key your selection to the likes, interests and habits of the person you have in mind. For instance, nothing will please the home handyman more than a new tool.

Paint Spraying Unit Is Versatile Tool

For the veteran Do-It-Yourself-er, a portable paint spraying unit and air compressor is a handy instrument. With it you can paint a chair, a barn or a car. You can use the machine to spray insecticides, inflate swimming pools or auto tires and even to remove wallpaper.

One of the most modern and versatile products in this line is called Uni-Pak. It features 1/3 hp. motor and delivers 2.2 cubic feet of air per minute at 35 lbs. pressure. It's produced by the Electric Sprayit firm and is sold through hardware and department stores.

Kids are just about the same as when I was one. They like the same things — worms, frogs, dirt, fishing and just dawdling, specially when it comes time for a bath. That's nothin' bad. Makes a healthy boy. Of course a healthy boy leaves his mark on a home — but you can always buy new wall paper.

Forgetting to put out that fire or making sure your cigarette is out is pretty expensive forgetting. I learned the other day. Believe it or not, forest fires cost us one billion dollars every year! Need I say more?

a return to obtain a refund of the taxes withheld.

So, to college students, may we say: File if you earned over \$600 because you are required by law and file if you earned under \$600 to receive a refund of the tax withheld by your employer.

Although women tend to shy away from paint and hardware departments and stores, a visit there will disclose hundreds of practical and interesting gift ideas. For the veteran do-it-yourself hobbyist, you might choose a portable paint spraying outfit. One such unit, produced by Electric Sprayit and called the "Budget-Pak," comes complete with air compressor and will perform dozens of vital jobs around the home.

In addition to being ideal for painting rooms, the outside of a home, or even small pieces of furniture — these tools paint five times faster than a brush and with much smoother results — a portable paint sprayer and compressor will come in handy for spraying insecticides on plants and shrubbery, and inflating auto tires or backyard swimming pools. Jobs which formerly took hours can be done in minutes.

Guests Appreciate A Guiding Light

The considerate, and smart, host and hostess have an outdoor light so guests can find the house number and the house. Besides reflecting consideration, a decorative outdoor light fixture reflects the beauty of the house. It extends a warm welcome, and it shows off the external features of the home for which you've worked so hard.

Good out-of-doors lighting is an integral part of Inspiration-Lighting, a theory of home lighting which was adapted from the theatre and now is being adopted by builders, decorators and prideful homeowners.

Attractive fixtures for your doorway, porch, garden, patio and backyard are available at hardware, electrical and department stores. They come in traditional or modern styles, in post-lantern types or accent "spots" and boast weather-resistant materials. Installation is simple.

The Navy's A4D attack plane weighs 15,000 pounds and has a wingspread of only 27 feet, six inches. It is currently being tested at the Naval Air Test Center, Patuxent River, Md.

and we'll prove that
you get more GO for your
dough in a Ford V-8*

**For Top
Performance
in your
kind of
driving!**

You get horsepower that makes horse sense in
Ford's new 225-h.p. V-8. The purpose of this
new horsepower is more torque... more rotat-
ing power to turn the wheels of your car. With
more torque you get greater response—quicker
getaway, swifter passing power. You'll find it
the silkiest, quietest, thrilling engine you
ever commanded. You get top performance for
your kind of driving!

This new 225-h.p. Thunderbird V-8 engine
has a displacement of 312 cu. in.—which makes
it the biggest engine by far in the low-price field.
And it is available in all Fordomatic Fairlans
and Station Wagons, at slight extra cost.

Equally important, these new 225-h.p. en-
gines are rolling off of Ford's production line
now. So plan to see your Ford Dealer soon.
He'll be glad to show you why you get more
GO for your dough in a Ford V-8.

WATCH FOR
Our All New Model Homes
ANTIOCH HEIGHTS SUBD.

GMC brings you the most impressive improvements of all 1956 trucks

Now we can show you these great new GMC's that are further than ever ahead of all others. Their advances not only clinch power supremacy—but reach into fields still unexplored by other truck-makers.

For example, GMC's Road Shock Damper Suspension*—plus a unique new stabilizer—produces in half-ton models a ride comparable to the finest passenger car.

An optional new fast-ratio cruising axle in light-duty GMC's gives you an overdrive's pace and economy without its cost.

Sharply increased engine displacement in both sixes and V8's gives you a power family unsurpassed in

the light-duty field. Specifically, we offer 14.4% GREATER displacement on 6-cylinder models; 16.2% on V8's than our nearest competitors. And GMC V8's, mind you, match the shortest stroke ratios in the truck industry.

Styling is well into the future—panoramic windshield to sand-tight tail gate. Tubeless tires, of course. And a 12-volt electrical system is standard. These are some of the strides presented in new 1956 Blue Chip trucks we now have on view. The values are even more notable. Come in and get the facts!

*Standard on Suburban; optional at slight extra cost on other ½-ton models

Your key to Blue Chip value

Further Changes in the Holy Week Liturgy of St. Peter's Announced by the Rev. Fr. Henderson

Good Friday is the anniversary of the Lord's Passion and Death. The Life of the world died on the Cross, that we who were dead in sin might have life abundantly. Today's Liturgy consists of four parts:

1—The instruction service comprises a reading from the Prophecy of Osee, a reading from the Book of Exodus (which describes the first Passover celebration of the Jews under Moses), and the solemn chanting of the Passion of our Lord Jesus Christ according to Saint John.

2—The prayer service directs to God the solemn petitions of the faithful. These prayers, nine in number, are for the following intentions: For the Church; for the Supreme Pontiff; for all ranks of clergy and people; for the rulers of nations; for catechumens (converts awaiting Baptism); for the needs of the faithful; for Church unity; for the conversion of the Jews; and for the conversion of the pagans.

3—The Holy Cross, the memorial of our Redemption, is unveiled with the words, "Behold the wood of the Cross on which hung the Savior of the world. Come, let us adore." In answer to this invitation, the entire Christian community (clergy and people) approach devoutly to take part in the adoration of the holy Cross.

4—The Communion service follows the return of the sacred Hosts from the Repository. After the devout recitation of the Lord's Prayer together, priest and people receive the Lord's Body in Holy Communion, that they may share in the richer fruits of the Redemption.

The four figures in the Crucifixion scene represent the four parts of the Good Friday service:

1—John the Evangelist wrote the account of the Passion; 2—Our Lady symbolizes the "Praying Church"; 3—Mary Magdalene kneels and bows in adoration of the Crucified

Savior; 4—Christ our Redeemer, Who gives Himself to us in Holy Communion, is the Food of our souls and the Source of the divine Life in us.

Holy Saturday

Holy Saturday begins as the day of intense sorrow, on which Holy Mother Church carries at the Lord's tomb, meditating on His Passion and Death. While the altar remains stripped bare, the Church abstains from the Sacrifice of the Mass, until, after the solemn Vigil (or night-watch of the Resurrection), there come the joys of Easter.

The great Easter candle, symbolizing Christ, "the Light of the World," is blessed, engraved, studded with five grains of incense, and then lighted as the "pillar of fire," which leads the congregation of people into the church and provides them with light for their candles to illuminate the church while the deacon sings the Easter Proclamation which glorifies the splendor of the holy night of the Resurrection.

Four readings from the Old Testament recall the wondrous works of God in olden times, faint prefigurations of the marvels He has worked in our souls through Christ. The Litany of the Saints is sung to implore the intercession of the Church Triumphant. Then the font of Baptismal water is blessed, that the family of God may grow by the fruitfulness of our Holy Mother the Church. Provision is made for the Baptism of newcomers into the family of God; and all the faithful join in renewing their Baptismal vows.

As the hour of the Resurrection approaches, the altar and the sacred ministers are vested and prepared for the beautiful Mass of the Resurrection; during it, the bells and the organ break their silence, the "Alleluiah" is solemnly intoned, and our risen Savior becomes present on the altar!

Card of Thanks

Bubble Light Fixtures Give Oriental Flavor to Interiors

The impact of the Far East is one of the outstanding fashion trends of the year. Women's fashions herald the tunic as a "must" this season. Fabrics are notably more colorful with the use of vivid, rich brocades; even Hollywood reels reveal an Asiatic air. Naturally, interior designers and home decorators are injecting the influence wherever appropriate.

One of the leading manufacturers of residential lighting fixtures, Moe Light, is in the forefront of this interior design trend, accelerating the pronounced Eastern influence in home furnishings with its distinctive bubble lights.

Bubble lights, relatively new in the home lighting industry, produce the flattering glow of an oriental lantern with soft, warm effects. In addition to the decorative effects of bubble lighting, the design of the fixture itself adds beauty to almost every room. Usually suspended from the ceiling, well-spaced companion bubble lights afford a symmetrical alliance appreciated by designers as well as design-conscious home planners. They fit in perfectly with the theory of Inspiration-Lighting, popularized by Moe Light, leaders in the home lighting fixture industry.

The bubble lights are decorative fixtures of translucent plastic, accentuated by polished brass or ebony black finishes. White embossed plastic shades or white vinylite plastic on wire frames veil illumination while the small glass or louvered bottoms provide direct down lighting. Reel adjustments on these fixtures add to their versatility.

Good Lighting Enhances Beauty

A woman will spend countless hours during the year trying to make herself more attractive, yet she forgets one of the most effective beauty aids—good balanced lighting. Specialists at Moe Light, world's leading manufacturer of residential lighting fixtures, assert that poor lighting will detract from a woman's beauty, while proper lighting can make even the plainest woman look attractive.

After applying her make-up, a woman often undoes her work by facing her husband or guests under the strong light of a single table or floor lamp which places ugly shadows and lines on her face.

To achieve a warm, soft, and flattering effect, the experts advise, enough lighting fixtures should be properly placed in a home so that the light is diffused and balanced. This means a planned combination of wall and ceiling fixtures and portable lamps, so that overall illumination and special localized lighting are achieved.

LET THERE BE LIGHT

More than 80 per cent of existing homes are inadequately lighted—averaging a modest nine fixtures rather than the recommended 20, reports Robert W. Minett, Jr., president of the American Home Lighting Institute.

State Farm Mutual Largest Auto Insurer

Again in 1955 State Farm Mutual was the nation's number one insurer of automobiles. Adlai H. Rust, president, announced from the Bloomington, Illinois, home office. George J. Mazzuca, local agent for the firm, said that State Farm Mutual Automobile Insurance Company, according to official figures, led all competitors for the fourteenth straight year in both earned premiums and number of cars insured. Mr. Mazzuca pointed out that today State Farm protects over 4,000,000 cars, half a million more than any other company.

On the dollar side, the company's earned premiums were \$231,375,000 up 12 per cent over 1954. This included \$225,755,000 of auto premiums. Direct premiums written stood at \$235,880,000, upmost 14 per cent.

In 1955 several millions in additional savings were returned to the company's policyholders through rate reduction programs. State Farm Mutual, an "independent" company, figures its own rates, according to the accident records of its own policyholders. Generally, Mr. Mazzuca said, State Farm rates run from 10 per cent to 40 per cent or more below those of most other companies, depending on the area and type of coverage.

The company's year-end balance sheet showed assets of over \$331 millions and surplus of over \$118 millions. Good 1955 gains were also reported by State Farm Mutual's life and fire insurance affiliates, Mazzuca said. State Farm Life Insurance Company now has \$930,500,000 of ordinary insurance on its books and assets of over \$108 millions.

State Farm Fire and Casualty Company upped its premium volume by 36 per cent, to reach over \$16,400,000. Its assets now exceed \$20,700,000. The life and fire companies are both wholly owned by State Farm Mutual.

The pressure in the Stratosphere Chamber on the Naval Air Test Center, Patuxent River, Md., changes from sea level to 70,000 feet above in six minutes. Temperature ranges from 55 degrees below zero to 100 degrees Centigrade in 45 minutes. The chamber is used to test aircraft instruments.

Railroad hopper cars for carrying coal have capacities ranging as high as 102 tons, and averaging 59 tons, while the average inland waterway barge for coal hauling has a 1200-ton capacity.

VEHICLE LICENSES
BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, LAKE COUNTY, ILLINOIS:

SECTION 1. DEFINITION. Whenever the term "motor vehicle" is used in this Ordinance it shall be construed to include automobiles, and all other vehicles propelled otherwise than by muscular power except such as run on rails or tracks, but nothing in this Ordinance shall be construed to apply to affect bicycles or tricycles or other vehicles propelled exclusively by muscular power.

SECTION 2. LICENSES. Every owner or operator of a motor vehicle or motor bicycle who resides within the Village shall pay each year to the clerk a tax or license fee for the use of each motor vehicle as in hereinafter provided.

SECTION 3. FEES. The annual fee to be paid for vehicle licenses for all motor vehicles, including automobiles and trucks, shall be \$5.00 if paid prior to July 1st of each year and \$7.00 if paid after July 1st of each year.

SECTION 4. DEALERS LICENSES. The license plates issued to dealers in motor vehicles for vehicles held for sale and used only for demonstrations may be transferred to any other vehicle so held and used by the same dealer; provided that such dealer shall procure one license for each motor vehicle so held by him at any one time during the year.

SECTION 5. APPLICATION—ISSUANCE. Every owner or operator of a motor vehicle or motor bicycle desiring a license for such motor vehicle shall file application with the clerk, setting forth the name and address of the applicant and a description of the vehicle for which the license is desired. Upon payment of the fee herein provided the clerk shall issue or cause to be issued a license which shall be attested by him, authorizing the use of such vehicle within the municipality until the expiration of such license.

SECTION 6. TIME OF PAYMENT—LICENSE YEAR. Such license fee shall be due and payable annually in advance on the 1st day of May of each year and such license shall expire on the 30th day of April following the date of issuance; provided that if purchase of vehicle is made six months after the start of the license year, then upon application being made to the clerk a license shall be issued for the remainder of the year upon payment of one-half of the lower fee herein required.

SECTION 7. STICKERS. Each applicant upon payment of the fee, shall be given a license sticker, without charge, of such design and material as may be approved by the President and Board of Trustees, which sticker shall be applied in a prominent and visible place on the windshield of the vehicle at all times that it is operated in the Village.

SECTION 8. USE OF FUNDS. All revenue derived from such license fees, except for the cost of issuing the licenses and stickers and collecting the fees, shall be kept in a separate fund and used only for paying the cost of street and alley repairs and improvements, as is provided by statute.

SECTION 9. PENALTY. Any person, firm or corporation violating any provision of this Ordinance shall be fined not less than five dollars (\$5.00) nor more than two hundred dollars (\$200.00) for each offense; and a separate offense shall be deemed committed on each day during or on which a violation occurs or continues.

SECTION 10. All Ordinances or parts of ordinances in conflict herewith are hereby repealed.

SECTION 11. This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

APPROVED:
J. W. McMILLEN,
President, Board of Trustees
ATTEST:
C. B. SHULTIS,
Village Clerk
Presented and read March 12, 1956.
Passed and approved, March 12, 1956.
Published, March 15, 1956.
APPROVED:
Edward C. Jacobs,
Village Attorney.

COUNTY ZONING NOTICE

STATE OF ILLINOIS) ss.
COUNTY OF LAKE)
TO WHOM IT MAY CONCERN:
PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on April 2, 1956, at 1:30 P. M., in the Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the R-4 Residential District, to the B-1 Business District, the following described real estate, to-wit:

Parcel 1: Lot 1 in Lotus Park, a Subdivision of a part of the North fractional half of the South East fractional quarter of Section 26, Township 46 North, Range 9, East of the 3rd P.M., according to the plat thereof, recorded February 7, 1916, in Book "J" of Plats, page 55, as Document 163191, in Lake County, Illinois.

Parcel 2: All land lying Easterly of the water's edge of Grass Lake and Westerly and adjoining Lot 1 of Lotus Park, a part of the North fractional half of the South East fractional quarter of Section 26, East of the 3rd P.M., according to the plat thereof recorded November 18, 1922, as Document 219242, in Book "J" of Plats, page 55 and lying between the North and South lines of said Lot 1 extended to water's edge of Grass Lake, in Lake County, Illinois.

Parcel 3: That part of the South half of fractional Section 26, Township 46 North, Range 9, East of the 3rd P.M., described as follows: Commencing at a point where the North line of the North fractional half of the South East fractional quarter of said Section 26 intersects the Government meander line of the East short of Grass Lake; running thence East 360 feet; thence South 100 feet; thence West 360 feet to the South East corner of Lot 1 in Lotus Park Subdivision; thence Northerly along the East line of said Lot 1 to the point of beginning, in Lake County, Illinois.

Parcel 4: The South half of Lot 22 in Rother's Subdivision of a part of the North East fractional quarter of Section 26, Township 46 North, Range 9, East of the 3rd P.M., according to the plat thereof, recorded August 14, 1917, in Book "J" of Plats, on page 95, as Document 173277, in Lake County, Illinois.

Parcel 5: All land lying Easterly of the water's edge of Grass Lake and Westerly and adjoining the South half of Lot 22 in Rother's Subdivision of a part of the North East fractional quarter of Section 26, Township 46 North, Range 9, East of the 3rd P.M., according to the plat thereof, recorded August 14, 1917, in Book "J" of Plats, on page 95, as Document 173277, in Lake County, Illinois.

As a result of the petition of LOUISE HANRAHAN which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

LAKE COUNTY ZONING BOARD OF APPEALS
EARL H. KANE, Chairman
Dated at Waukegan, Illinois, this 15th day of March, 1956.

Hickory CornersMrs. Wm. Thompson, Correspondent
Tel. 583W2

A surprise birthday dinner party was held at the home of Mr. and Mrs. William Richards on Sunday. The guest of honor was Miss Lorraine Detch of Kenosha. Other dinner guests were the Anthony Eble and Frank Farm families of Bristol, also Harry Simon of Kenosha.

Thirty-five adults and children were present at the family pot luck supper at the Mother's club, held at the school house on Tuesday evening, March 6.

Several of her school friends surprised Miss Lucille Wells at her home on Saturday evening in honor of her birthday on Tuesday.

Jimmie Hunter of Great Lakes spent Saturday and Sunday with his cousins, John and Judy Van Patten.

Mr. and Mrs. R. C. Bishop of Kenosha visited the Harrie Tillotsons on Friday.

Miss Jackie Dietrich of Waukegan spent Sunday with her friend, Miss Norma Welch.

Mr. and Mrs. Wm. D. Thompson and daughter, Helen, visited their cousins, Mr. and Mrs. George Handley at their home near Kenosha on Sunday afternoon.

Mrs. Oscar Finkel attended a bridal shower at a home in Skokie, Ill., on Saturday afternoon, that was given for her niece, Miss Merry Ellen Dean of Chicago.

Mr. and Mrs. Richard Wells and

children visited Mr. and Mrs. Carl Zello at Milwaukee on Sunday.

Mr. and Mrs. Emmet King and Mr. and Mrs. Harrie Tillotson were Monday, March 12, dinner guests of Mr. and Mrs. Ray Bishop in Kenosha.

Mrs. Curtis Wells accompanied her daughter, Mrs. Rod Ames to Waukegan on Monday afternoon of this week, where they visited Mrs. Harold Butler and children.

The Russell Hunter family of Great Lakes visited the Eddie Van Patten family Sunday afternoon and evening.

Mr. and Mrs. Fred Leable spent Sunday in Kenosha, at the home of their daughter, Mrs. Blanche Alverson, Corp. and Mrs. Harold Bagdahl and two small daughters are home on a furlough from Camp Lejeune, North Carolina.

We Back the Biggest Difference in Cars Today With a Total of**\$25,000 Insurance**

PERSONAL AUTOMOBILE ACCIDENT

Divided Equally Between Husband and Wife**At No Extra Cost To You With Your New****Rambler · Hudson · Nash · Metropolitan****Here's the Big Difference That Makes It Possible**

REVOLUTIONARY "SINGLE UNIT" CONSTRUCTION, PIONEERED BY AMERICAN MOTORS,
MAKES RAMBLER, HUDSON, NASH AND METROPOLITAN THE STRONGEST, SAFEST, BEST
ALL-AROUND CARS ON THE ROAD

PRIMITIVE OXCARTS WERE BUILT WITH FLAT WOODEN-BEAM
FRAMES, AXLES AND WHEELS WERE MOUNTED BELOW. A
FLOOR OR BOX WAS PUT ON TOP. THE BUGGY, WAGON AND
"HORSELESS CARRIAGE" USED SIMILAR FLAT FRAMES AND
ATTACHED BODIES

EVEN TODAY, MOST CARS HAVE
SEPARATE FLAT FRAMES WITH
SEPARATE BODIES BOLTED TO THEM

ONLY AMERICAN MOTORS BUILDS CARS ON THE "SINGLE UNIT"
PRINCIPLE. BODY AND FRAME ARE WELDED INTO A TOUGH, SUPER-
STRONG "SINGLE UNIT". RESULT: PERFORMANCE AT LESS COST...GREATER
COMFORT...MORE INSIDE ROOM...EASIER PARKING...SUPERIOR HANDLING
AND CORNERING...ELIMINATION OF BODY SQUEAKS AND RATTLES...DOUBLE
SAFETY...TOP RESALE VALUE

Why a total of \$25,000 Personal Automobile Accident Insurance is given at No Extra Cost!

We back our confidence that American Motors cars are stronger, safer, more modern than others by giving each buyer of a new Rambler, Nash, Hudson or Metropolitan a total of \$25,000 Personal Automobile Accident Insurance at no extra cost—divided equally between husband and wife.

This insurance provides for the payment of \$12,500 to beneficiary or estate of either you or your spouse (if a member of your household at time of purchase)—thus providing the total of \$25,000—if either or both should be fatally injured while driving or riding

(either separately or together) in your new private passenger American Motors car anywhere in the world. Both are insured for the entire first year of ownership.

Covers fatality resulting within 100 days after date of accident. Applies to privately-owned cars purchased in the continental United States and Alaska where state insurance regulations permit.

Don't buy any new car until you get the facts about the priceless protection only American Motors cars can give you! See your Nash dealer! See your Hudson dealer!

Tune in Disneyland on ABC-TV. See TV listings for Time and Channel.

Bennett Cerf Interviews George Romney

Noted publisher, columnist and television personality gets inside story of revolutionary advance in car construction from the President of American Motors.

CERF: Mr. Romney, why do you offer a total of \$25,000 insurance with your new cars?

ROMNEY: It backs our claim that "single unit" construction makes the strongest, safest, most modern cars.

CERF: Is there really that much difference between the way you and other manufacturers make cars?

ROMNEY: All the difference between yesterday's railway coach and today's streamliner. Other cars still use a principle old as the oxcart: A flat frame bolted under a separate body. In our cars, frame and body are welded as a "single unit". It's the biggest stride since the all-steel body.

CERF: And this makes a safer car?

ROMNEY: Twice as safe. Instead of a flat frame underfoot, our frame is a steel, box-girder enclosure as big as the car. It gives you "wrap-around" protection in front, rear, sides and top.

CERF: That sounds like real protection.

ROMNEY: That's not all. Flat frames others use are stiff, so they transmit collision force throughout the car. Our big steel box-girders up front absorb most of the impact. They take the brunt of the punishment instead of passengers.

CERF: What about performance?

ROMNEY: That's a real plus. "Single unit" construction gives a better power-weight ratio. It's stronger and safer, but eliminates useless weight and bulk. Our cars have set many racing records.

CERF: And economy?

ROMNEY: They're tops. Rambler holds the gas mileage record in Mobilgas Economy Runs. Again, because our "hard-muscled" single unit avoids dead weight.

CERF: I like room and comfort.

ROMNEY: Nash and Hudson have more room inside than any high-priced car. Rambler equals medium-priced big cars. As for ride, the greater strength of our "single unit" lets us use larger springs, and superior front suspension.

CERF: Isn't resale value important?

ROMNEY: You bet. Rambler has top resale value in the low price field. In addition to other advantages, welded single unit cars last longer, make better used cars.

CERF: If all you say is true, why don't the Big Three make cars your way?

ROMNEY: You see, mere "bigness" can be a handicap in advanced automobile engineering. One of the biggest of the "Big 3" was years behind others in adopting the all-steel body. The bigger you are, the more factories you have—the more it costs to change.

CERF: I can understand that.

ROMNEY: Beginning in 1940, we spent over \$50,000,000 to develop the "single unit" car. Today, it will cost the biggest companies billions to re-tool for our method.

CERF: Do you think they will follow you?

ROMNEY: No doubt about it. Our major competitors will probably make the change gradually—piece-meal—or one model at a time. Frankly, we will be happy to see our "single unit" construction adopted, because it will mean better, safer cars on American highways.

CERF: Well, I'm about ready for another car. I'm going down to look at American Motors cars.

ROMNEY: All I ask anyone to do is see and drive our modern "single unit" cars at a Nash or Hudson dealer's. The rest is up to you.

More Lighting Required for Bedtime Reading

Bedtime is fast becoming the best time for Americans to catch up on their reading. A recent survey has indicated that reading in bed is now definitely on the increase. This growing trend emphasizes the need for more lighting in the bedroom.

The ideal solution for localized lighting is a flexible fixture which can be easily adjusted for reading. One practical type can be focused from a headboard, a wall or a night-table. The manufacturer, Moo Light, provides several types of fixtures which can be attached upright to the wall and then focused downward for reading. Directed on the pages of the book, such a fixture will prevent unnecessary eye-strain. Requiring no special wiring, these flexible portable fixtures also can be placed on a night table or dressing table.

Snap-on reflectors permit interchanging of colors, adding to the versatility of these lamps and light fixtures. Available colors include Tone White, Satin Black, Brushed Brass or Terra Cotta.

Inspiration Lighting Adds Dramatic Effect

"Inspiration-Lighting" is the name given to a new theory of home lighting by the Moo Light Division of Thomas Industries Inc. The theory, which has been adopted by builders, decorators and designers around the nation, is borrowed from the theater, where lighting is used to accent players or props and to create dramatic effects.

In the home, Inspiration-Lighting means the intelligent use of enough attractive lighting fixtures. These should supply general and local lighting; accent furnishings or intensify colors; call attention to fine paintings or bring out unusual textures of draperies or carpets. Pull-down fixtures, close-to-ceiling fixtures, accent spots and recessed light fixtures can be used in many combinations to give your home "Inspiration-Lighting."

CLOSETS NEED LIGHT

A light burning continually in the closet during a rainy season will help to prevent mildew from ruining your clothes. A few cents for electricity will save dollars in clothes.

New Bulk Milk Prices

Chicago—New regulations will change the pricing of bulk tank milk delivered by dairy farmers to the Chicago market.

The changes are included in a newly amended Federal order which regulates the handling of milk on the Chicago market. They were requested by the Pure Milk Association.

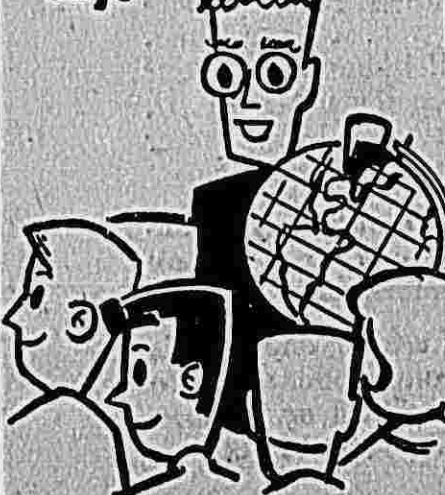

Under the new regulations the price of milk will be based at the point the bulk milk is reloaded into another truck before entering a plant. If the milk enters a plant without reloading the plant will continue to be the pricing point.

Since 1946, the Ground Controlled Approach Unit at the Naval Air Station, Patuxent River, Md., has guided 64,113 planes to safe landings by means of radar. GCA is used primarily in bad weather.

A four-engine R5D, called the "Flying Laboratory," is attached to the Electronics Test Division of the Naval Air Test Center, Patuxent River, Md. Electronics Test installs aircraft instruments in the plane and tests them at altitudes.

Carbon, basic ingredient of coal, is the backbone of all life and commerce, inasmuch as carbon compounds make up 90 per cent by value and 95 per cent by weight of all products of human labor.

EDDIE the EDUCATOR says

I have taught a long time and have never found two children exactly alike. Each needs individual attention. If classes are too large I cannot do as good a job as I should.

ANCIENT SYMBOL
THE CHARACTERISTIC THREE GOLD BALLS THAT MARK THE FARMER'S SHIRT ORIGINATED WITH THE FAMOUS MEDICI FAMILY OF ANCIENT ITALY. THE THREE GOLD BALLS WERE THE COAT OF ARMS OF THIS GREAT RENAISSANCE BANKING DYNASTY.

AND THIS IS THE SYMBOL
OF SECURITY—THE U.S. SAVINGS BOND. REMEMBER, IF YOU BUY A BOND A MONTH AT \$7.50, IN 9 YEARS MONTHS YOU WILL HAVE BUILT UP A HEALTHY CASH RESERVE OF \$4,913.40!

ZERO HOUR
MORE ACCIDENTS OCCUR BETWEEN THE HOURS OF 6 TO 7 P.M. THAN IN ANY OTHER PERIOD OF THE DAY!

PAY CHECK
THIS YEAR, AMERICAN PERSONAL INCOME WILL BE MORE THAN \$300,000,000,000.00—AND A GREAT NUMBER OF THESE SAME AMERICANS INTERESTED IN THEIR SECURITY, WILL INVEST A PART OF THEIR PAY CHECKS IN U.S. SAVINGS BONDS. WHY NOT BE ONE OF THEM?

This Salad Sparkles For Company

To add a decorative sparkle to your next company meal, serve a beautifully arranged fruit salad for dessert. The salad shown in the picture combines a mound of dark sweet and light sweet cherries with pear halves, filled with creamy cranberry dressing. There are many other colorful, flavorful canned fruits from which to choose.

Serve color-contrasting half-moon sandwiches of canned fruit-nut and chocolate breads as the accompaniment. Good fillings are cream cheese and cinnamon butter.

- Glamour Dessert Salad**
- | | |
|-------------------------------------|-------------------------------------|
| 1 can (8 oz.) whole cranberry sauce | 1 can (1 lb. 14 oz.) pear halves |
| 1/4 cup mayonnaise | 1 can (16 oz.) light sweet cherries |
| 1/2 cup whipping cream | 1 can (16 oz.) dark sweet cherries |
| 1 tablespoon sugar | |

Salad Greens

Break cranberry sauce into pieces with a fork. Add mayonnaise, whipped cream and sugar. Arrange chilled drained pear halves and cherries on salad greens. Fill center of pears with the cranberry mixture. Six to eight servings.

What's New in Corn Hybrids?

Want to find out what to expect from the hybrid corn you plant this spring—or what are the promising hybrids of the future?

You'll find the answers waiting for you in Lake County Farm Adviser Nicholas' office. Just ask him for University of Illinois Bulletin 598.

The publication, "1955 Illinois

Corn Tests," tell about performance, seed treatment, and diseases, and gives other important information about hybrids now on the market. To get this information, test stations were located in several sections of the state in order to allow for climatic differences, Nicholas said. Tests were conducted at De-

Kalb, Peoria, Urbana, and Brown-

town. Forty-two companies and individuals and the Illinois Agricultural Experiment station furnished seed for the 252 hybrids tested in the other study at DeKalb, Galesburg, Urbana, Brownstown and Carbon-
